PRAISE FOR

ARTHUR'S BOSOM:

THE CHILDREN OF ARTHUR, BOOK FIVE

WITH ARTHUR'S BOSOM, Tyler R. Tichelaar's enlightening tour through medieval legend comes to a striking and satisfying end. From King Arthur to Dracula and into our future, the Children of Arthur series gives new meaning to the possibilities of the historical fantasy genre. In fact, it's a true tour-de-force that can change minds and change the world. Put this one on your shelf between Malory and Marion Zimmer Bradley as a genre-changer.
